TERMS OF REFERENCE FOR CHIEF CHEMIST

Job Title:	Chief Chemist
Location:	Office of Chief General Manager , Uttarakhand Jal Sansthan , Jal Bhawan, B- Block ,Nehru Colony, Dehradun.
Contract term:	11 month with possibility for extension

BACKGROUND:

The government of Uttarakhand is extremely proactive in Jal Jeevan Mission. Water testing is important for monitoring the operation of water supply, verification of the safety of drinking water, investigation of disease outbreaks, validation process and preventive measures. Water quality testing tools need to be used for deciding safety of drinking water: at the source; within a piped distribution system; or at the end of consumer. For the completion of work in such projects of utmost importance there is a need of having skilled laboratory staff.

Department of Drinking Water & Sanitation has established Water Testing Laboratories on various levels i.e. State/District/Sub-divisional/Block level. To monitor & control the process of testing of water one post of Chief Chemist has been created. As per approval, this post is to be filled on Contract Basis. Thus for the post of Chief Chemist, required specifications are as follows:-

Personal specifications

- Ph.D in Sciences with Chemistry/ Environmental Sciences/ Microbiology/ Biotechnology/ Biological Sciences.
- Minimum 7 year experience in water quality analysis and monitoring in a Government Department or Public Sector undertaking or reputed private organization after completion of qualifying degree.

Overall job responsibilities

- ensure correctness of data uploaded on JJM IMIS;
- plan, guide & support for NABL Accreditation of laboratories in the State/ UT at least for parameters of basic water quality importance and other parameters as per local conditions, etc.
- supervise and guide reporting staff on sampling, water quality analysis, data analysis, identification of standard corrective actions based on water quality analysis data;
- overall in-charge of all the drinking water quality testing laboratories set up in the State/ UT.
- prepare Standard Operating Procedures (SOPs) for proper sampling techniques, i.e. collection, preservation, transportation, analysis, reporting and data interpretation of test results;
- upkeep of the central repository of water quality analysis manual, and other related documentation for smooth functioning of laboratories;
- prepare Annual Action Plan for an effective WQM&S, both for basic and newly emerging parameters;
- ensure proper AMC/ CAMC of instruments/ equipments following approval from competent authority duly adopting procedural formalities as per State Government/ UT Administration rules;
- ensure timely procurement of chemicals/ glassware/ consumables after approval from competent authority and adopting procedural formalities as per State Government/ UT Administration rules;
- ensure proper calibration of all instruments/ equipments using Certified Reference Material (CRM) as per 'IS/ISO/IEC 17025:2017';
- plan corrective actions in consultation with Engineer-in-Chief/ Chief Engineer of the department;
- ensure compilation of water treatment technologies and corrective actions;
- ensure cross verification of test results, quality control and safety in laboratories at all levels;

Estimated Time

The estimated time to be spent on the assignment is for 11 month as per the contract signed between First Party (Uttarakhand Jal Sansthan) and the Second party (Chief Chemist). The man-month is based upon the regular working hours (10 am to 5 pm) per day, six days as per week excluding second Saturdays of every month, Sundays and holidays declared by State Government of Uttarakhand. The absence of 2.5 days per month is allowed during the contract period, duly authorized by the competent authority.

Assistant may further be allowed absence subject to submission of medical certificate for a maximum period of 15 days per annum during the contract period.

Review of Performance

The performance of the Chief Chemist under the assignment shall be subject to periodical review and shall be adjudged on the basis of work assigned and completed by him under the TOR. The Chief Chemist shall maintain records (hand written or computerized) wherein the details of work done/outputs given shall be entered on a daily basis. The dairy shall have to be put up on fortnightly basis before the officer who is administering the contract. This dairy will be property of Uttarakhand Jal Sansthan and will be deposited in the officer after six month. The performance report will be given by the General Manager and accepted by the Chief General Manager, Uttarkhand Jal Sansthan. On the basis of satisfactory performance, the agreement can be extended on mutual understanding.
