

**UTTARAKHAND JAL SANSTHAN**  
**JAL BHAWAN, NEHRU COLONY DEHRADUN.**

Letter No 4092/ Ease of doing Business-3/2024-25 / Dated: 09/10/24

**Office Order**

In compliance to the DPIIT (Department of Promotion of Industry and Internal Trade) Business Reform Action Plan 2024 (BRAP), it is mandated that online Dashboard in Public Domain to provide information on Water Pressure and Water Quality- TDS (Total Dissolve Solids) shall be provided.

Accordingly, with respect to reform point no 186, Department of e-Jal Shakti, Government of India (Jal Jeevan Mission (ejalshakti.gov.in) has developed an online Dashboard which provides information on Quality of Water being supplied to consumer, area wise and is updated on real time basis. Subsequently, information with regard to Water Pressure and Water Quality-TDS, a huge IoT based infrastructure shall be required for gauging the water pressure (consumer area-wise) on real-time basis and displaying the same as dashboard analytics. It may take months or years to implement the same across the State of Uttarakhand. Therefore, to comply with the said reform point, a provision is being provided on UJS portal for collecting the information about water pressure and other parameter at source i.e. tubewell/pumping station for displaying the same on public domain on UJS portal having url <https://ujs.uk.gov.in/> as Dashboard.

The dashboard will highlight the last updated date and would be regularly updated (daily/weekly/fortnightly/monthly) as per recommended guidelines

This mandate is issued for the information of general public at large.

(Neelima Garg)  
Chief General Manager
